Your Grace,

Doubtless like so many others, we have been shocked and saddened to learn last week of the unexpected passing of George Cardinal Pell.

On behalf of the patrons and members of Catalyst for Renewal, we express our sincere condolences to all who knew and worked with Cardinal Pell during and since his service to the church as Archbishop of Sydney.

At this difficult time, we extend our encouragement to all who continue to work in the service of advancement of the Gospel and the ongoing renewal of our church.

Yours respectfully in Christ,

Michael Whelan SM
