

NATIONAL SIP COMMITTEE REPORT
for Executive Meeting Monday 20th February 2023 5.15pm via Zoom

• **SPIRITUALITY IN THE PUB/SPIRITUALITY ON THE SOFA**

Planning continues for our 2023 SIP/S.O.S program.

- Theme: “*Spirituality in ...*”. Attached please find the flier for Wednesday evening 1st March when our speakers will be our very own **Julie Thorpe** and **Zaahir Eidres**.

Also attached see our Draft 2023 year’s program.

- We are proceeding with our plan to have each evening at least one speaker from the younger generation. As previously mentioned, **Joe Wehbe**, a young man who was one of our speakers last year and who heads up *The Constant Student* Group will be one of our speakers again this year. Joe is also participating in a very real way in our ongoing planning; as is **Julie Thorpe** (thank you, Julie) and last but not least **Susan**, our SIP/S.O.S Moderator/Anchor.

We are also enlisting the help of **Ruth Rawlinson** who, inter alia, will look after our monthly *Mailchimp* email-out

• **SATELLITE SIP VENUES’ REPORT:** Still not many satellite SIPs have recovered from the COVID pandemic.

Wollongong SIP has now ceased operation.

We are continuing to seek updates from all other venues
