

THE CALL TO BE REPORT

“The Call to Be commenced its first course of 3 sessions in February of this year. “The Eyes and Ears of Conscience” was presented by Fr Tom Ryan and based on his book of the same name. Each participant (13) was given a free copy of the book and various chapters of the book were discussed culminating in a discussion on Conscience and forgiveness using various parables throughout the discussions. The course engendered a lot of personal reflection and the feedback was extremely positive as to what participants had gained.

A free follow up session will be held later in the year. A total of \$1,170- was banked and lecturers fees were paid.”
